

*iNTeg-Risk: Early Recognition, Monitoring and Integrated Management of Emerging, New Technology Related Risks*

# **iNTeg-Risk Meeting kick-off Meeting, Presentation of CONPRICI**

# CONPRICI

- CONPRICI is a research consortium among 8 Italian Universities
  
- CONPRICI will coordinate the participation of five Italian Universities to Integ-Risk project
  - Alma Mater Studiorum Università di Bologna
  - Università di Roma « La Sapienza »
  - Università di Padova
  - Università di Pisa
  - Politecnico di Milano
  
- A further Italian Research Institute will participate thorough CONPRICI to the project
  - Istituto di Ricerche sulla Combustione, Consiglio Nazionale delle Ricerche, Napoli

# CONPRICI – key personnel and main roles

- Valerio Cozzani – UniBO - CONPRICI
  - Professor, University of Bologna. Coordination of SP2 and of WP2.1 (Paradigm)
- Roberto Bubbico – UniRoma - CONPRICI
  - Assistant Professor, University of Roma, President of SRA. Coordination of WP4.X\_\_\_\_X
- Ernesto Salzano
  - Senior Researcher, CNR-IRC. Coordination of WP 2.5 (Handbook of recommended practices)
- Giuseppe Maschio – UniPD - CONPRICI
  - Professor, University of Padova. Coordination of WP3.1 (LNG ERRAs verification)
- Renato Rota – PoliMI - CONPRICI
  - Professor, Politecnico of Milano. Coordination of WP1.2 (Topic A ERRAs)

# CONPRICI – main interests in project

---

- Development of an innovative and integrated approach to risk assessment
- Contribution to ERRAs
  - LNG, Na-Tech, KPIs, specific scenarios
- Contribution to the development of recommended practices in emerging risk assessment
- Contribution of the validation of results
- Exploitation of results
  - Training (academia and professionals)
  - Scientific meetings
